Dear Dr. Lajtha:

We have received your request for partial support for the 1986 Winter Conference for Brain Research to be held in Keystone, Colorado. The tentative list of topics to be discussed seems very appropriate for CTR's current priorities. We would be pleased to contribute $2,000.00 for this purpose. A check for that amount is enclosed with this letter. We request only that our contribution not be used to support expenses for participants from the private sector.

Sincerely,

Harmon McAllister
